

# Becoming a Planning Aid Community Champion

It's easy.

The first step is to fill in this form or visit [www.planningaid.rtpi.org.uk/becomeachampion](http://www.planningaid.rtpi.org.uk/becomeachampion) and download a copy of this form.

You will then be contacted by your local Planning Aid Co-ordinator who will talk you through the details of what it means to be a Planning Aid Champion in your local area and send you an induction pack.

Planning Aid will be organising events where you can learn more about the service and meet with other Champions in your area.
